GRASS ROOTS

BELPER Rotary club

At a recent meeting of the Rotary Club of Belper and Duffield, Sue Carter was introduced to the club by a long standing friend, Rotarian Sheilagh Harnan.

After the introductions Sue was then welcomed as a member of the club's 'Friends of Rotary' group. She joins a small but keen band of other friends of the club.

Sue has been helping out at club events such as the regular litter picks for several months and her decision to join was welcomed by the whole club.

'Friends of Rotary' are people who admire the work, ethics and friendships afforded by the Rotary Club but who, for whatever reason are not able to commit to full membership at the time.

They are able to join in Rotary meetings and they help out at the various fund raising events and other activities that the Rotary Club are involved with.

Anyone wishing to know more about the work done by Rotary in general, or who

may be interested in getting involved with the Belper and Duffield Club is asked to contact the club secretary, Rotarian John Horwood, on 07801473175 or visit the club's website at www.belper-rotary.co.uk where further information can be found.

There are lots of opportunities for people to help out in their local communities and lots of new friends to make.
